"River Gateway to Opportunity"

EMPLOYMENT NOTICE

POSITION: Utility Plumber
DEPARTMENT: Public Works - Water
GRADE: A14
PAY RANGE STARTS AT: $22.9161/Hour*
SCHEDULE: 7:00 a.m. – 3:00 p.m., Monday – Friday*
*** Wage and schedule subject to AFSCME labor agreement**

DEADLINE: Open Until Filled

JOB CHARACTERISTICS: Under general supervision, performs journeyman work in the installation, maintenance and repair of water distribution and sewage collection systems. Independent judgment is exercised in determining work methods with all work performed in compliance with the *Illinois State Plumbing Code* and all related ordinances; may direct or instruct other employees in performing or assisting with similar tasks.

REQUIRES: High school diploma or GED equivalent; completion of an approved five year plumbing apprenticeship program; 2 years experience in mechanical maintenance work involving plumbing, water distribution system and sanitary sewer collection system installations and repairs, including field work involving excavations; any equivalent combination of training and experience which provides the required knowledge, skills and abilities. Valid Illinois Class A Commercial Driver's License (CDL) or equivalent within 45 days after hire; valid State of Illinois Plumbing License by examination issued by the Illinois Department of Public Health; valid State of Illinois Cross-Connection Control Inspector's Certification issued by the Illinois EPA Division of Public Water Supplies within 90 days of hire. Compliance with City Residency Policy within prescribed time period required. The current Residency Policy states that AFSCME employees shall live within a 20-mile radius from the City's Emergency Center, located at 1630 8th Avenue in Moline, within 180 days of hire.

Thorough knowledge of information concerning applicable theories, principles, techniques, equipment and operation of all aspects of plumbing systems; of all applicable safety standards and possible hazards; and thorough knowledge and understanding of *Illinois State Plumbing Code* and all related ordinances.

Skill in public, employee and labor relations and in maintaining effective working relationships; in the use of the required tools and equipment; providing direction to work crews; using hand tools and power tools; safe and proper operation of excavation equipment; and the use of personal computers in stationary and mobile network environments using software applications such as, but not limited to, Arc Map GIS, Tele-Ticket, Lucity Work, and Microsoft Office.

Ability to perform all tasks usually associated with journeymen plumbers; instruct and direct work at the job site; plan and coordinate work; communicate clearly and effectively, both orally and in writing; respond effectively to inquiries or complaints; read and interpret blueprints, specifications and other records with regard to water distribution and wastewater transmission facilities.

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, employee is required to stand and sit; use hands and fingers to handle, feel and make fine adjustments; reach with hands and arms; climb and balance; stoop, kneel, crouch and crawl. Employee will frequently lift and/or move up to 60 pounds and will rarely lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus. The employee is occasionally exposed to wet and/or humid conditions, moving mechanical parts, fumes or airborne particles, toxic or caustic chemicals, outside weather conditions, extreme cold, extreme heat and risk of electrical shock. The noise level in the work environment is usually moderate.
