Explanation

1. Road Salt Purchase Agreement for 2014-2015 Season with the City of Davenport (Doug House, Municipal Services General Manager)

Explanation: The City of Davenport has solicited bids for road salt with North American Salt Company submitting the lowest bid. As in the past, the City of Davenport has included the City of Moline in its bid process. The base bid for the City is for 3,500 tons of salt at \$75.03 per ton to be delivered at CHS (Harvest States) River Terminal. The City of Davenport will invoice the City for 50 percent of its order between July 1, 2014, and July 10, 2014. The City has requested a reserve stockpile of 4000 tons for supplemental orders in quantities of at least 500 tons per order with 1000 tons guaranteed to be ordered by February 28, 2015, at \$88.63 per ton to be delivered to the salt building located at Public Works.

Staff Recommendation: Staff recommends approving this joint salt purchase at a cost of \$262,605.00 for 3,500 tons of salt for the base bid and \$88,630.00 for 1000 tons of the supplemental order by February 28, 2015.

Fiscal Impact: \$357,500 is budgeted for this purchase. The remaining balance in the budgeted funds will be utilized to purchase additional salt as necessitated by the severity of winter conditions in 2014/2015.

Public Notice/Recording: N/A

Goal Impacted: Financially Strong City

2. Request to seek direction regarding entering into negotiations for a Five Year Right to Use Agreement with National Cart Advertising, LLC Services for the Right to use Approximately 15,000 City Trash Carts. (Doug House, Municipal Services General Manager)

Explanation: On April 7, 2014, National Cart Marketing began implementation of its cart advertising pilot program with the City and 1,140, 96-Gallon carts were retrofitted with its advertising lids. The pilot program is currently generating the Sanitation Fund \$608.00 monthly and will generate approximately \$7,296.00 annually. Since implementing the advertising lid program fewer than 10 residents have requested a change back to the original lid.

Staff Recommendation: Staff recommends approval to implement City wide. If approved by Council, staff will negotiate with the vendor and bring back a five year agreement from National Cart Advertising, LLC Services.

Fiscal Impact: Anticipated revenues from the City wide cart advertising program are estimated at \$72,960.00 annually and \$364,800.00 over the life of the agreement.

Public Notice/Recording: N/A

Goals Impacted: Financially Strong City

3. A Resolution authorizing the Mayor and City Clerk to execute a collection service agreement with Penn Credit Corporation. (Keith Verbeke, Finance Manager)

Explanation: The Finance Department routinely solicits bids of contracted services every 3 to 5 years. The last Request for Proposal was performed in 2009 for collection services. Collection services are used once City staff has exhausted all efforts in trying to collect outstanding balances. Ten proposals were received and reviewed. Penn Credit Corporation is the recommended vendor at a contingent, commission based fee of 19%.

Staff Recommendation: Approval

Fiscal Impact: Collection of delinquent accounts receivables

Public Notice/Record: N/A

Goal Impacted: Financially Strong City

4. A resolution authorizing the Mayor and City Clerk to execute an agreement with The Interlocal Purchasing System (TIPS/TAPS) for the purpose of participating in a cooperative purchasing program (Laura Duran, Parks Recreation Director)

Explanation: TIPS/TAPS is a purchasing cooperative serving public and private school districts, colleges, universities, federal, state, county and city municipalities. Illinois recognizes this as a legal purchasing authority for municipal government, and the competitive bidding practices are consistent with the Moline purchasing code. Parks would like to use this purchasing program for supplies and projects. Any purchase through this system for Parks would also be approved by the Park Board. Purchasing utilizing this system has great potential for savings and reduces staff time in soliciting bids for supplies and services.

Staff Recommendation: Approval
Fiscal Impact: None
Public Notice/Recording: N/A
Goal Impacted: Financially Strong City
