#### **Agenda Item #5 - I-74 Future Update**

Adam gave an update on Merchants meeting regarding the I74 bridge construction from 10-11-2018, at the Stoney Creek Inn. Between Spring of 2019 and Thanksgiving of 2019 all west bound bridge traffic starting at Avenue of the Cities will be pushed down 19<sup>th</sup> street to the River Drive exit. Adam stated that this is great opportunity for Moline Centre, as we will be experiencing more traffic moving at a slower rate. The discussion turned to how we can capture this traffic, and turn it into business. Ideas included signage at the gateways, including 19<sup>th</sup> street and 4<sup>th</sup> & 5<sup>th</sup> avenues. The Board agreed it should be part of the 2019 work plan to turn this influx in traffic into an influx of business.
