If the department finds that a dog or cat has been left outdoors and unattended for longer than one (1) hour anytime between 10:00 p.m. and 6:00 a.m. on the following day, and the department has probable cause to believe that a violation of this section has occurred, and if the dog's or cat's owner or keeper is not home or refuses to take said dog or cat indoors, then, upon obtaining a signed statement from a complainant, the department may impound the dog or cat, which may be disposed of as provided in Article III of this chapter.

SEC. 7-2104. DANGEROUS AND VICIOUS DOGS – HEARING AND DETERMINATION.

(a) **Notice.** The date of service of any notice under this section shall be either the date of personal service or three (3) days from the date that the notice was mailed.

(b) **Impound.** If a community service officer or peace officer determines that probable cause exists to believe that a dog is a dangerous dog, the community service officer or peace officer shall order the dog's owner or keeper to confine the dog pending an administrative hearing. Failure to obey said order constitutes a violation of this section. If a community service officer or peace officer determines that probable cause exists to believe that a dog is a vicious dog, the dog shall be impounded. Any owner or keeper of any dog impounded under this section shall be responsible for the costs incurred during the period of impoundment, such as food, veterinary care, and board, unless following an administrative hearing the dog is found not to be vicious. A dog impounded under this section will not be returned to the owner or keeper or any other person unless following an administrative hearing the dog is found not to be vicious. Dogs found to be vicious will be euthanized by the community service section, or turned over by the City to an appropriate agent or agency for euthanasia. Any owner or keeper shall further be responsible for all costs incurred by the City in euthanizing the vicious dog.

(d) **Notice and time for hearing.** The owner or keeper of the dog shall be served with a notice of the administrative hearing, either personally or by first class mail to the owner or keeper's last known address. The administrative hearing shall be held promptly within not less than five (5) working days nor more than fifteen (15) working days following service of the notice upon the owner or keeper of the dog. The service of a notice to appear in the circuit court on an ordinance violation charge, even if that notice refers to charges of vicious or dangerous dogs, shall not start the running of the clock for the administrative hearing process.

(e) **Conduct of hearing.** The administrative hearing shall be open to the public and shall be recorded by a tape recorder, stenographer, or other reliable means. The chief of police shall serve as the hearing officer. The hearing officer may admit into evidence all relevant evidence, including incident reports and the affidavits of witnesses, and live testimony. The hearing officer shall determine, based upon a preponderance of the evidence, whether or not the dog is a dangerous dog or a vicious dog. If the notice of the administrative hearing charged that the dog is vicious but does not charge that the dog is dangerous, the hearing officer may nevertheless determine that the dog is dangerous rather than vicious, if the evidence so warrants.

(f) **Notice of determination.** The dog's owner or keeper shall be notified in writing of the hearing officer's determination either personally or by first class mail to the owner or keeper's last known address.

- (1) If the hearing officer determines that the dog is neither dangerous nor vicious, the owner or keeper may redeem the dog, if impounded, as otherwise provided in Article III of this chapter. The owner or keeper shall not be required to pay those daily impoundment fees that are attributable solely to the pendency of the administrative hearing but shall be required to pay all other fees.
- (2) If the hearing officer determines that the dog is dangerous, the owner or keeper may redeem the dog, subject to the requirements of Section 7-2105 and Article III of this chapter.
- (3) If the hearing officer determines that the dog is vicious, the animal may not be redeemed, and the notice of determination shall also state that the dog shall be euthanized within five (5) working days of the date of the notice unless the owner or keeper requests a stay of ten (10) working days during which to file a complaint for court review of the hearing officer's determination pursuant to the provisions of the Illinois Administrative Review Law, 735 ILCS 5/3-101 et. seq., and amendments thereto.

ANIMALS AND FOWL

(g) **Failure to appear.** If the dog's owner or keeper cannot be found or fails to appear in person or by legal counsel for the administrative hearing, the hearing officer shall make a determination by default, without need of any testimony or other evidence, that the dog is vicious or dangerous, as well as abandoned, and the dog shall be euthanized without further notice to the owner or keeper.

(h) **Time for euthanasia – stay.** Upon the hearing officer's determination that the dog is vicious, it shall be euthanized after five (5) working days from the date of the notice of determination to the owner or keeper, unless the owner or keeper within that time period delivers to the office of the chief of police a request to stay the euthanasia for a period of ten (10) working days for the purpose of filing a complaint for court review of the hearing officer's determination pursuant to the provisions of the Illinois Administrative Review Law, 735 ILCS 5/3-101 et. seq., and amendments thereto. If, at the end of that period, the City has not received notice that a complaint has been filed, the dog shall be euthanized without further notice to the owner or keeper.
