SEC. 31-9110. INSTALLMENT CONTRACTS.

(c) If any tax return is not filed or if during any four (4) year period for which a notice of tax determination or assessment may be issued by the City, the tax paid was less than seventy-five percent (75%) of the tax due, the statute of limitations shall be six (6) years maximum after the end of the calendar year in which return for the applicable period was due or end of the calendar year in which the return for the applicable period was filed.

A taxpayer filing a valid voluntary disclosure application may not be liable for any additional tax, interest, or penalty for any period before the date the application was filed. However, if the taxpayer incorrectly determined and underpaid the amount of tax due, the taxpayer is liable for the underpaid tax along with applicable interest on the underpaid tax, unless the underpayment was the result of fraud on the party of the taxpayer, in which case the application shall be deemed invalid and void. The payment of tax and interest must be made by no later than ninety (90) days after a final determination and the exhaustion of all appeals of the additional amount owed or the date agreed to by the local tax administrator, whichever is longer.

SEC. 31-10101. TAX IMPOSED.

(a) There is hereby imposed and levied a tax on the act or privilege of originating in the City or receiving in the City intrastate telecommunications by a person. However, such tax is not imposed on such act or privilege to the extent such act or privilege may not, under the Constitution and statutes of the United States of America, be made the subject of taxation by the City.

MOLINE CODE OF ORDINANCES

(b) There is hereby imposed and levied a tax on the act or privilege of originating in the City or receiving in the City interstate telecommunications by a person. To prevent actual multi-state taxation of the act or privilege that is subject to taxation under this article, any taxpayer, upon written proof satisfactory to the finance director that the taxpayer has paid a tax in another state on such event, shall be allowed a credit against any tax enacted pursuant to or authorized by this article to the extent of the amount of such tax properly due and paid in such other state which was not previously allowed as a credit against any other state or local tax in the State of Illinois. However, such tax is not imposed on the act or privilege to the extent such act or privilege may not, under the Constitution and statutes of the United States of America, be made the subject of taxation by the City.

(c) The tax imposed and levied in this Section shall be at the rate of six percent (6%) percent of the gross charge for telecommunications purchased at retail.

SEC. 31-10102. COLLECTION.

(a) The tax imposed and levied by this article shall be collected from the taxpayer by a retailer maintaining a place of business in the State of Illinois and shall be remitted by such retailer to the Department. Any tax required to be collected pursuant to this article and any such tax collected by such retailer and required to be remitted to the Department shall constitute a debt owed by the retailer to the State of Illinois. Retailers shall collect the tax from the taxpayer by adding the tax to the gross charge for the act or privilege of originating or receiving telecommunications when sold for use, in the manner prescribed by the Department. The tax imposed and levied in this article shall constitute a debt of the taxpayer to the retailer until paid, and, if unpaid, is recoverable at law in the same manner as the original charge for such sale at retail. If the retailer fails to collect the tax from the taxpayer, then the taxpayer shall be required to pay the tax directly to the Department in the manner provided by the Department.

(b) Retailers filing tax returns pursuant to the Simplified Municipal Telecommunications Tax Act shall, at the time of filing such return, pay to the Department the amount of the tax collected, less a discount of one percent (1%) of the amount collected which is allowed to reimburse the retailer for the expenses incurred in keeping records, billing the customer, preparing and filing returns, remitting the tax and supplying data to the City or the Department upon request. No discount may be claimed by a retailer on returns not timely filed and for taxes not timely remitted.

(c) Whenever possible, the tax authorized by this Act shall, when collected, be stated as a distinct item separate and apart from the gross charge for telecommunications.

SEC. 31-10103. RESELLERS.

(a) If a person who originates or receives telecommunications claims to be a reseller of such telecommunications, such person shall apply to the Department for a resale number. Such applicant shall state facts which will show the Department why such applicant is not liable for taxes imposed and levied by this article on any of such purchases and shall furnish such additional information as the Department may reasonably require.

(b) Upon approval of the application, the Department shall assign a resale number to the applicant and shall certify such number to the applicant. The Department may cancel any number which is obtained through misrepresentation, or which is used to send or receive such telecommunication tax-free when such actions in fact are not for resale, or which no longer applied because of the person's having discontinued the making of resales.

(c) Except as provided hereinabove in this Section, the act or privilege of originating or receiving telecommunications in the City shall not be made tax-free on the ground of being a sale for resale unless the person has an active resale number from the Department, and furnishes that number to the retailer in connection with certifying to the retailer that any sale to such person is non-taxable because of being a sale for resale.

TAXATION

SEC. 31-10104. RETURNS TO THE DEPARTMENT.

Retailers shall file returns with and remit taxes collected to the Department as set forth in applicable provisions of the Illinois Simplified Municipal Telecommunications Tax Act.

SEC. 31-10105. WAIVER OF FRANCHISE FEES.

(b) This waiver shall be effective only during the time that either the infrastructure maintenance fee or the simplified tax imposed and levied by this article is subject to being lawfully imposed on the telecommunications retailer, collected by the Department, and paid over to the City.

SEC. 31-10106. PENALTIES AND ENFORCEMENT.

(a) Any retailer who violates, disobeys, omits, neglects or refuses to comply with any of the provisions of this article shall be subject to fine in accordance with the general penalty provisions of the Moline City Code of Ordinances as set forth in Sec. 1-1107 of said Code.

(b) Nothing in this article shall be construed as limiting any additional or further remedies that the City may have for enforcement of this article.

SEC. 31-10107. SEVERABILITY.

If any section, subsection, sentence, clause, phrase or portion of this article is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

SEC. 31-10108. CONFLICT.

This article supersedes all articles or parts of articles adopted prior hereto which are in conflict herewith, to the extent of such conflict.

(b) The ultimate incidence of and liability for payment of the tax is on the retail purchaser, and nothing in this article shall be construed to impose a tax on the occupation of distributing, supplying, furnishing, selling or transporting gas.

(c) The retail purchaser shall pay the tax, measured by therms of gas delivered to the retail purchaser’s premises, to the public utility designated to collect the tax pursuant to Section 31-11102 of this article on or before the payment due date of the public utility’s bill first reflecting the tax, or directly to the City treasurer on or before the fifteenth day of the second month following the month in which the gas is delivered to the retail purchaser if no public utility has been designated to collect the tax pursuant to Section 31-11102 or if the gas is delivered by a person other than a public utility so designated.

(d) Nothing in this article shall be construed to impose a tax upon any person, business, or activity in which, under the constitutions of the United States or State of Illinois, may not be made the subject of taxation by the City.

(e) Nothing in this article shall be construed to impose a tax upon any business certified by the Illinois Department of Commerce and Economic Opportunity under Chapter 35 ILCS § 120/1f. The exemption applies to business enterprises located within an area designated as an enterprise zone for as long as the exemption certification is in effect with the Department of Commerce and Economic Opportunity and if the certification term expires, the exemption will extend for a period not to exceed thirty (30) years.

(f) A person who purchases gas for resale and therefore does not pay the tax imposed by this article with respect to the use or consumption of the gas, but who later uses or consumes part or all of the gas, shall pay the tax directly to the city treasurer on or before the fifteenth day of the second month following the month in which the gas is used or consumed.

(g) The tax shall apply to gas for which the delivery to the retail purchaser is billed by a public utility on or after March 01, 2017.

(h) To prevent multiple taxation, the use of gas in the City by a retail purchaser shall be exempt from the tax imposed by this article if the gross receipts from the sale at retail of such gas to the retail purchaser are properly subject to a tax imposed upon the seller of such gas pursuant to the City’s municipal utility tax, as amended from time to time by citation to ordinance or code section authorized pursuant to Section 8-11-2 of the Illinois Municipal Code (65 ILCS 5/8-11-2).
