

Are you looking for a unique opportunity to shape a community?

The City of Moline, Illinois seeks a

## **Community and Economic Development Director**

Salary negotiable up to \$145,788 DOQ

### Impacts You'll Have:

- Redevelopment of more than 13 acres of downtown/riverfront property after the existing I-74 bridge is demolished.
- Development of nearly 500 acres of existing farmland, south of the Quad City International Airport.
- Continued revitalization of the John Deere Road corridor, with the highest traffic counts in the Quad Cities second to I-74, after a \$67.8 million infrastructure investment by IDOT.
- Improvements to SouthPark Mall and surrounding properties, particularly once the new diverging diamond interchange and multi-use path are installed at I-74 and John Deere Road.

If you're an experienced professional looking to join a collaborative and innovative team, submit your online application, resume, cover letter and 5 professional references.

For full details on this exciting opportunity or to apply, visit [www.moline.il.us](http://www.moline.il.us).

Open until filled - First review of applications January 8, 2021
