

PLAY BALL!

Spring Training – Week I

“3rd Season”

May 5, 2010

Stephens Park

5:30PM – 7:30PM

WELCOME!

We would like to welcome everyone to the first day of ‘*Spring Training*’ for the Junior Bandits T-Ball League! Today we are going to give all of the teams a good work-out in order to get them ready for ‘Opening Day’! ☺ We will also be getting all of the kids info to help with putting them on their teams. Season schedules will be given out to all of the players next week. Please double check your schedule every week for game times & locations.

We would like to thank all of the parents & coaches for your interest in our program and for helping to make our “3rd Season” a tremendous success so far. I would also like to thank the Quad Cities River Bandits for their participation in the league. They have been behind this program 100% from its inception and are continually thinking of ways to make the league better.

Thanks Again,

Moline Parks Dept.

‘PLAY BALL’ Information Table/E-Mail

It is important that everyone check the information table & ‘Play Ball’ *every* week. This is the place where you will find information on upcoming events or promotions, along with helpful reminders. This is the easiest way for me to keep everyone informed and up to date on what is happening with our league. A *little* reading now could save a *LOT* of questions later.

I also like to e-mail copies of ‘Play Ball’, along with any upcoming league events/reminders, out on a weekly basis. If you would like to add your e-mail to the list, please sign-up at the information table.

**Coaches...this means you too!* ☺

Phone Updates / Rain-Out Line

I know there are still quite a few people who I don't have e-mails for or that don't have access to a computer all the time, so I'm trying something new this season. In addition to e-mailing out any league updates, cancellations, etc. I'm also setting up a phone messaging number. This is similar to the "Rain-Out Line" that some of our other leagues use. You simply dial the number and an automated system will take you to the t-ball line.

I'll post the schedules for that week on the line so you'll always be able to check in during the week. Hopefully this will help cut down on any issues that may arise.
