WELCOME!

We would like to welcome everyone to the season opener of the Quad City Mini-Wheelers Indoor Flag Football League! We hope *your* Mini-Wheeler is excited and ready to play some Arena Football!

Today we will be playing our first 'official' games. We will enforce all league rules, but if there is a time where coaches/officials need to stop the game to *teach*...we will do that. This leagues' focus isn't wins & losses, its learning & having FUN! ☺

Thanks Again,

Justin

GAMES

Even though we have our first "games" today, I want to stress the importance of good sportsmanship. This league is intended to be about learning the game & having fun! We don't keep scores, we don't keep records, and every kid gets a chance to touch the ball.

While a lot of the games are very competitive, it *IS* possible to compete hard & still have *FUN!* ☺ When everything is said & done, we're all still on the same team...the Mini-Wheelers!!!

Let's continue to do a great job displaying sportsmanship and having fun! I look forward to my Saturday mornings with the kids and I want you to do the same. ☺

Traffic/Parking

Upon arriving for your game, please wait in the front lobby or the first set of bleachers until the game prior to yours has concluded. We want to keep the traffic coming in & out of the court doors to a minimum...especially while there is a game underway. We will give everyone plenty of time to get to the court and get settled in.

Also, when your game has concluded, please clear the gym floor & lobby as quickly as possible. Unless you're the last game of the day, there will be players, coaches, & parents waiting to get in. Your help with this would be *GREATLY* appreciated!

If you are playing at Coolidge Gym, please use the side entrance next to the football practice field. I will have the info table set up as you come in. This will help make sure that everyone gets their weekly copy of the *Navigator*.

T-Shirts

T-shirts will be here next week. I apologize for the delay, but I didn't get the order in soon enough for them to be done by today. We will continue to use the practice jerseys for today's games. Once again, I apologize for the delay and I appreciate your patience & understanding.
