CDBG PROGRAM STRATEGY

City of Moline Community Development Block Grant (CDBG) funds will be allocated within Neighborhood Areas, to implement the following activities:

- Affordable Housing Development
- Residential Rehabilitation
- Public Improvements
- Economic Development
- Public Services
- Planning Activities
- Program Administration

1. Affordable Housing Development

CDBG funds may be used for property acquisition, rehabilitation, and site improvements, to stimulate housing development for lower-income persons.

2. Residential Rehabilitation

CDBG funds may be used for a Residential Rehabilitation Program within the City, including low interest amortized and deferred loans. Preference will be provided to projects, which eliminate health and safety violations and promote energy conservation, and eliminate slum and blight.

3. Public Improvements

CDBG funds may be used for eligible public improvements, such as parks, streets, community centers, drainage structures, etc. Feasibility studies and public improvements designed to support proposed low to median income housing development projects may also be funded.

In the City area, when feasible, the following guidelines will be used when allocating funds to public improvements: 1) 65% to Neighborhood Facilities, e.g., parks, senior, youth and community centers, libraries; 2) 25% to Public Health and Safety Facilities, e.g., fire protection, flood control, health facilities, sewer/water improvements; and 3) 10% to Sidewalks and Streets.

4. Economic Development

CDBG funds may be used for eligible development projects that create jobs for low-income persons, aid small businesses, and strengthen the fiscal base of a Neighborhood.

Economic development goals may also be accomplished through the funding of economic revitalization plans that identify strategies and actions that assist local business communities and residents they serve.

5. Public Services

CDBG funds may be used for public services, which directly relate to and support physical community revitalization or housing development activities, as opposed to social services not directly related to those activities.

6. Planning Activities

CDBG funds may be used for planning activities, which may include preparation of economic revitalization plans, or assessments of facilities and housing needs.

7. Program Administration

A portion of the CDBG entitlement will be set aside for community development planning, development of housing programs, program administration, and contingency reserves.

Attachment D

CDBG APPLICATION PROCESS

The following review and recommendation process will be used for preparation of the Community Development Block Grant Program funding of community development projects:

1. Assigned City staff will annually solicit community development proposals within the Metropolitan Statistical Area (MSA) through community meetings, mailings and media releases.
2. Staff will review all community development proposal materials submitted for compliance with federal grant eligibility requirements, obtaining additional information from the applicants as required, to determine:
 - a. Whether the proposed project appropriately addresses the identified problem;
 - b. Whether the proposed project complies with existing state and City laws, ordinances, regulations and policies;
 - c. Whether, if funded, implementation of the proposal would be delayed by the application for and processing of required discretionary land use permits;
 - d. Feasibility of timely implementation of the project;
 - e. Accurate cost estimates; and,
 - f. Departmental priority recommendations.
3. Following the review of community development proposals, including consideration of all relevant information available, staff will develop a listing of all community development proposals received. The listing shall be presented to the Citizen Advisory Council on Urban Policy (CACUP) for consideration during scheduled meetings in which each applicant will be allowed to present on behalf of their request.
4. CACUP decides on allocation of funds to approved applicants. The approved applications are presented to City Council for final approval. Applicants that are approved for funding will receive a notification of their award and award amount.
5. Upon approval of the City's Consolidated Annual Action Plan by The Department of Housing and Urban Development (HUD) and receipt of funds, each approved applicant will receive a packet containing the Subrecipient Agreement and attached addendums. The Subrecipient Agreement is a binding contract between the City of Moline and the agency that has been approved to receive CDBG funds. **To receive awarded funds the Subrecipient Agreement must be signed by the appropriate person(s) and returned to the City of Moline. Failure to comply will result in a delay of allocation.**

PROJECT ELIGIBILITY

Projects must be a CDBG-eligible activity and must meet at least one of the following CDBG national objectives:

1. Predominate benefit to low or moderate income (under 80% of the area median income) persons or households. This is the most commonly used qualifier. Documentation of the benefit to low/moderate income persons is required of every project funded under this objective. Limited clientele activities, i.e., those that benefit a specific sector of the community, such as youth centers, health clinics, etc., must benefit a minimum of 51% low and moderate-income persons.
2. Aid in the elimination of slum or blight conditions. HUD has strict guidelines to define these conditions. Please contact Community Development staff to determine if your project is eligible under this objective.
