

McCarthy Improvement Company

-----PAVING * GRADING* HEAVY CONSTRUCTION-----

Transportation News

For Immediate Release: September 11, 2009

Contractor: McCarthy Improvement Company

Owner: State of Illinois Department of Transportation

Project: I-74 Illinois

Location of Work: East (south) bound lanes from Mississippi Bridge to Interstate 280

Work Description:

On Wednesday, September 16th, 2010, McCarthy Improvement Company will be switching traffic from the driving (outside) traffic lane to the passing (median) traffic lane of I-74 East (south) bound from 7th St Moline to Interstate 280.

The work will include continued concrete patching. The lane will be closed to traffic for approximately 2-3 weeks.

The work is in preparation for a new asphalt surface.
