

Adopt-A-Street Program Acceptance

Objective: Adopt-A-Street is an annual voluntary program to involve citizens in beautifying Moline by participating in a litter reduction program managed by the City of Moline.

Eligible Participants and Locations: Businesses, organizations or individuals may participate in Adopt-A-Street. For a section of a street to be included in the program, the City will provide a location or the applicant may suggest a location of their choosing but due to potential safety or other concerns, the final decision will be at the City's discretion.

City Agrees to:

- Identify locations to be considered that will benefit the residents of Moline;
- Determine proper placement of signs consistent with City sign installation policies and provide and install signage (2 signs and 2 poles) per location once the Adopt-A-Street agreement has been submitted and approved;
- Provide information about Adopt-A-Street on the City's webpage, including a list of current volunteers;
- Provide instructions and supplies to volunteers on safety and procedures;
- Provide removal and disposal of trash on the next business day for each scheduled volunteer occurrence.

Participants Agree to:

- Conduct clean-ups in the adopted location at least quarterly (4 times per year)
- Select a location from the authorized adoption list provided by the City or another location as approved by the City;
- Notify the City prior to each clean-up being conducted with number of volunteers, supplies and signage needed;
- Provide progress reports to the City after each clean-up (i.e. before and after pictures)
- Give consent to use photographs on social media and/or the City website;
- Ensure that volunteers only work in their Adopt-A-Street location approved by the City;
- Renew agreement annually.

NOTE:

City may remove the sign(s) at any time for construction, reconstruction, or maintenance in the Adopt-A-Street area and will reinstall the signage upon completion of the work.

City may remove the signs at any time due to failure to comply with the Adopt-A-Street Agreement.

Acceptance

The below signed agree to the terms and conditions stated above.
