

CITY OF MOLINE COVID-19 PHASE 4 AND BRIDGE PHASE RESTRICTIONS

- All events will need to continue practicing social distancing and masks are required when not actively eating or drinking.
- In an update to current Phase 4 mitigations and the capacity limits of the bridge to Phase 5, individuals with proof of full vaccination or a negative COVID-19 test (PCR) 1-3 days prior to an event or outing do not count against the capacity limit. The DCEO is working on verification methods for vaccination records and test results.
- Dance floors are still closed and will likely remain closed until we are in Phase 5.
- The Bridge Phase is expected to last a minimum of 28 days, dependent on vaccination progress and COVID numbers.

Dining
